Acceptance Agreement

General Terms and Conditions of Award

- 1 The School of Information Systems (SIS) Achievements Scholarship is a financial award ("Award") tenable only at the Singapore Management University ("University").
- 2 The Award is valued at \$10,000 ("Sum") per annum and tenable for up to four (4) years of the Recipient's studies in a Bachelor of Science undergraduate programme ("Programme") offered by the School of Information Systems ("SIS") at the University.
- 3 The Recipient must not hold any other awards of a similar nature during the tenure of the Award, except with the prior approval of the University.
- 4 The continued tenure or renewal of the Award will be at the sole discretion of the University and is subject to the Recipient:
 - (a) consistently maintaining a minimum cumulative GPA of 3.20;
 - (b) demonstrating exemplary conduct embodying the SMU CIRCLE Values of Commitment, Integrity, Responsibility, Collegiality, Leadership and Excellence and complying with the University's prevailing code of conduct and other rules and regulations applicable to the Recipient;
 - (c) fulfilling the terms and conditions set out herein and/or such other terms and conditions as may be advised by the University in writing from time to time; and
 - (d) fulfilling the obligations (if any) as stated in the offer communicated through electronic mail or printed letter.
- 5 The Sum shall be applied in the following manner:
 - (a) \$8,000 of the annual sum shall be disbursed to the Recipient via interbank giro credit transfer, details of which the Recipient may register or update via OASIS > Self-service App – Maintain Bank Accounts (select "Receiving Bank Account Details"), in two equal instalments by week 7 of Term 1 and Term 2 in meeting his or her tuition fee, living expenses and/or study-related expenses.
 - (b) The remaining sum after Clause 5 (a) will be applied towards the payment of tuition fee in two equal instalments for Term 1 and Term 2 with any shortfall in tuition fee not adequately covered by the Award shall be of the Recipient's responsibility to settle.
- 6 If the Recipient is a Singaporean student, the receipt of this Award does not restrict him or her in applying to the University for a bursary for cash allowance to further support shortfall in tuition fee payable and/or estimated living expenses during the tenure of the Award should his or her family financial circumstance necessitates him or her to do so and subject to him or her fulfilling the bursary eligibility criteria. However, if the Recipient has been granted the living allowance component of the Study Loan for his or her course of study, the living allowance shall not be disbursed during the tenure of this Award.
- 7 The University will reserve the right to revoke the Award in any of the following circumstances:
 - (a) Recipient prematurely withdraws from the Programme or if his or her enrollment in the Programme is otherwise terminated for any reason.
 - (b) The conduct of the Recipient brings ill repute to the University.
